Water Billing Update

During the transition to radio-read meters, an error occurred in the multiplier used for calculating water usage on last month's bill, resulting in an underreported usage. As a result, you may notice a slight increase in your water bill for the upcoming month to account for the corrected calculation.

Malcolm Clean Up Day

Malcolm Clean-Up Day is scheduled for Saturday, April 12, 2025, in the parking lot of the Village Maintenance Shop, located at 330 S. Exeter Street.

Cross-Connection – Back Flow Prevention Pamphlets

As required by State Health Regulations, the enclosed pamphlets provide annual information on cross-connection and backflow prevention. For questions, please contact the Village Clerk.

Parking on Education Drive

This is a friendly reminder that, due to the high volume of traffic around the school, **parking is not permitted from 7:30 A.M. to 4:30 P.M. while school is in session.** Thank you for your understanding and cooperation!

Building Permits

Residents within the Village limits or one-mile jurisdiction of Malcolm must obtain a building permit for all projects through the Malcolm Village Office. Permit forms and the Municipal Code are available at www.Malcolm.ne.gov. See Chapter 9 for details on required permits and exemptions.

The Littlest Library

Friendly reminder: Malcolm has two 24/7 Little Libraries—one on the Village Hall porch at 137 E. 2nd Street and another near the Education Drive crosswalk by Westfall Elementary. Stop by and enjoy!

Village Board and Planning Commission meetings are open to the public, and your input is vital for the Village's growth and addressing concerns. The Board can only address issues brought to them. Board meetings are held on the first Wednesday of each month at 7:00 p.m., and Planning Commission meetings are held on the last Wednesday of each month at 7:00 p.m.
