Malcolm Residents,

**Storm Sewer Drains** – are getting plug, please remember storm sewer drains are for water/rain runoff, not pushing your leaves, grass clippings or disposing of materials when remodeling your home in them. All these situations are happening in Malcolm.

**Informational Sheets** – Enclosed is an updated informational sheet, we are in the process of seeing if we can email water/sewer bills to everyone that has an email address. If you have no email address, the bills will still be mailed to you. Please fill out the enclosed form and return it to the Village Office at your earliest convenience. Please know these forms are for Village use only, will not be shared with anyone.

**Dog Renewals** – Just a friendly reminder any person who shall own, keep, or harbor a dog within the Village within thirty (30) days after acquisition of the said dog shall acquire a license for each such dog annually by or before the first (1<sup>st</sup>) day of June of each year. The village board & the village clerk have received various informal complaints about differing topics surrounding our community & its residents. Some of the key areas of feedback have centered on the following topics:

- Pet Ownership
  - If you take on the responsibility of owning a dog, it must be licensed and maintain current rabies vaccinations.
  - **Cleaning up after your pet during walks**
  - Ensuring your pet is properly fenced during the day to avoid them escaping and running around town, requiring others to chase down and return them to your home.
- Yard Maintenance
  - When mowing your yard, find a proper place to dispose of your clippings. **Clippings should not be sprayed or dumped into the street. This is dangerous for motorcycles, bikes and kids trying to stop turn or maneuver. It can also lead to clogged storm sewers and cause grass to start growing in the streets.**
- Golf Carts and ATV's
  - Ensuring all proper state and local codes are followed and, that no golf carts are driven on any sidewalks within the Village

- Keeping a clear sidewalk for pedestrians to walk on, i.e. vehicles, grass clippings, hedges, tree branches.

**Board Members Needed!** The Malcolm Village Board of Trustees will have two openings coming up on the election in November 2022. Trustees are elected to a four-year term; meetings are held on the first Wednesday of each month; with a begin time at 7:00 p.m.; you must live within the Village limits to be able to run for a seat on the Board. If you are interested a “Candidate Filing Form” must be completed. If you have any questions, please feel free to contact the Village Office at (402) 796-2250.

Village Board meetings as well as Planning Commission meetings are opened to the public. Your input is very important to the continued growth and everyday concerns of the Village. The Board cannot help with any problems that might arise within the Village unless you bring the problems or concerns to the Board. The Village Board meetings are held on the first Wednesday of the month and the Malcolm Planning Commission meetings are held on the last Wednesday of the month. Both meetings begin at 7:00 p.m. All meetings are held at the Village Hall at 137 E. 2<sup>nd</sup> Street, Malcolm, Nebraska.
